Ministries

An Irish Blessing

May the road rise to meet you,
May the wind always be to your back.
May the sunshine warm upon your face,
and the rains fall soft upon your fields.
Until we meet again,
May God hold you in the palm of His hand.

A BIG impact for a small sacrifice

Encourage your friends to repost our **Coffeehouse Challenge** on their **Facebook** page.

Then watch as God continues to grow and support our letter writing ministry, as we bless women in prison through our letters filled with God's Word.

We are so blessed to have the letters the Apostle Paul wrote, while he himself was in prison. He set an example for the church "to consider those who are in prison as if they were there themselves." Hebrews 13:3

Something to Ponder

"Forgiveness is not weak.
It takes courage
to face and overcome
powerful emotions."

Book Blessing

We were blessed recently to receive 6 boxes of books for the women at NCCW (prison) at York, NE.

As new ladies, from all counties in Nebraska enter NCCW (prison) we send out a letter about Letters of Hope Ministries. WE share with them about our letter writing ministry and enclose a list of books that they may obtain FREE from the prison library.

We encourage every woman entering the prison to contact the prison chaplain to obtain any of the free books we have supplied to the prison.

Recently we sent the following 5 titles.
~ *How to Be A Child of God*, *Armor*, (on the *Fruit of the Spirit*), *God Is With You Every Day*, *God Will Carry You Through*

May the Blessings of Jesus be upon you on Easter & always!

MEET Karen Naprstek LoHM letter writer and volunteer staff member, shared...

"When I was looking for a way that God could use me, a friend told me about LoHM. It was a perfect fit as I already liked to send cards & letters to people that I knew. My past was kind of shady, but I was blessed that I never went to prison, although I spent a night or two in jail. The problems I had were some of the same things that send ladies to prison. Felt like that made another perfect match for me with LoHM.

"After receiving training on prison guidelines: for mail and writing letters, I was assigned 2 ladies to write. Last year, the director asked me if I could send Thank You cards to our partners. One thing led to another and now I am volunteering more of my time in helping the ministry, working on Facebook and helping with our LoHM Newsletter."

Thank You for partnering with us.

Together we are bringing encouragement to women in prison, on their faith journey. ALL for God's glory.

In Our Mailbox "I hope all is well for you & I pray for your family and friends. I want to thank you for all you do for us in here. Some of us don't get any mail from our families and getting mail from you puts a smile on our faces – you are amazing. I will close now & thank you again." Ms C

"Thank you for the birthday card, I love it and I hang cards and calendars up in my locker along with the inspirational quotes you send me - and I read them ever morning." Ms. S
