

A HUGE THANK YOU
to our **LoHM Partners**

Your gracious generosity is providing women an opportunity to discover how **God truly sees them!**

They will learn they are a child of God, adopted, precious, accepted, called by name by God,

baptized in & hidden in Christ. They are chosen by God, saved, justified, redeemed, forgiven by God. Given a new heart, the Spirit of God, strength, mercy, grace, access to God, and the mind of Christ. They are created to do good works, be an Ambassador for Christ, conformed & complete in Christ, clothed in righteousness, holy, protected and loved by God.

THANK YOU for PARTNERSHIP!

God is showing His faithfulness to women in prison right where they are. They need to know God loves them, His have a true forgiveness and that they can have HOPE for their future through Christ. Christine will be a great encouragement, to those she writes sharing the HOPE found in Christ.

A Letter From Ms K :

Dear Rosemary,

Thank you for your prayers and letters of encouragement. I still have my parental rights, but the courts have filed a petition to terminate them. I have made efforts to settle pending charges in Missouri, Arkansas, and Oklahoma. Hopefully I will find favor in the courts, and they will run my charges concurrent with the sentence I'm serving now or sentence me fines. That will be one step closer to fixing the problems that are keeping my children from coming back to me.

I pray that the Lord will provide me with the help I need. I trust Him no matter what happens. I will still trust in the Lord and love Him and be thankful for all things. The closer I get to Him, the more joy I have in my heart.

I am no longer afraid of anything because I know that *He is my rock and my refuge*. I used to have night terrors and would be so afraid. Now, I just call on the name of the Lord! I say, "*Jesus save me!*" And the demons I fight in my sleep, flee from me. I call on the Lord because "*where I am weak, He is strong. I can do nothing without Him.*" I am nothing without Him.

May God bless you for your kindness. I thank God that you and I have come together in His precious name. Kind regards, Miss K

*NOTE: Rosemary lives in Texas, born in Canada, is retired, has a heart to bless and encourage ladies in the Lord while they are in prison.
Thank You Rosemary for sharing your letter!*
